

Let It Be

lyrics, music, performance and recording by Phil Falcone 2026Feb2

NO MO, NO MO, NO MO, NO MO, NO MO....

When Y'ALL DON'T Get To VOTE, DON'T Get To VOTE, DON'T Get To VOTE, DON'T Get To ...

NO MO, NO MO, NO MO, NO MO, NO MO

When Y'ALL DON'T Get To VOTE, DON'T Get To VOTE, DON'T Get To ...

NO MO, NO MO, NO MO, NO MO, NO MO.... (pause)

It's NOT too late, It's NOT too late, It's NOT too late, NOT too late...

To GET to VOTE, To GET to VOTE, GET to VOTE, GET to VOTE

BEFORE too late, BEFORE too late, BEFORE too late, BEFORE too late...

Flip the moment

Flip the mindset

Flip the chatter

Flip the batter

Flip the lever

New endeavor

NOT too late, NOT too late, NOT too late, NOT too late ...

To Vote Out Terror

Vote out darkness

Vote out violence

Vote out Vulgar

NO MO, NO MO, NO MO, NO MO, NO MO....

Children frightened

Workers siphoned

Oh, the Inhumanity

Not TOO late, Not TOO late, Not TOO late, Not TOO late ...

got to get out / on the street

Up, and out / and on our feet

Protect one another

From all ADVERSITY... (slow, pause)

STOP the HURT, STOP the HATE, HEAL the HURT, HEAL the HATE...

MINNEAPOLIS STRONG... (slow, pause)

each knight in white

spreads blazing light

for peaceful fight

To do what's right

in our God's sight

With certain might

NO MASKS, NO MASKS, NO MASKS, NO MASKS, NO MASKS,

Can't hide identity

WE'RE Brothers, Sisters

Let US be

We're Brothers, Sisters

YOU and ME

Oh Let IT BE. (slow to end)
